

## Domain Name Registration / Renewal

**Your domain name registration is within one month of expiration.**

**The enclosed invoice includes ONE YEAR of registration. If you'd like to extend the term, use this chart -> to determine your cost and add the appropriate amount to your payment. We'll take care of the rest.**

Years	Pay	Save
1	\$ 17.	---
2	\$ 32.	5%
3	\$ 48.	5%
4	\$ 65.	5%
5	\$ 77.	10%
6	\$ 92.	10%
7	\$107.	10%
8	\$116.	15%
9	\$122.	15%
10*	\$136.	20%

We encourage you to consider keeping your domain registered 5 years into the future. Why?

- **Google likes to see that you plan to be around that long.**
- **Anything you get in the mail that looks like a domain renewal can go straight to the recycling bin.** Actually, that's true anyway. If your domain is registered through us, you need only pay heed to renewal information from beachdog.com. The rest is junk mail.
- **You don't have to deal with an invoice every year.**
- As we don't need to bill you annually, **we can offer a discount.**

Regardless, we'll continue to keep an eye on your domain(s) and send you a bill about a month before it is due to expire. You're welcome to add years to your registration at any time by calling the office, emailing, or sending us payment, along with a note with your wishes.

**Thanks, as always, for trusting us to take care of your domain.  
We appreciate your business.**

If we can help you out with other products and services – rubber stamps, labels, brochures, banners, business cards, stationery, logo development, print advertising, social media, search engines etc. – please don't hesitate to give us a call at **360.642.4431** or zap an email to [webmaster@beachdog.com](mailto:webmaster@beachdog.com).

*\*New domain registrations only. Maximum registration period is 10 years.*
